OUR SEARCH FOR KNOWLEDGE

FOREWORD

It is the hope of the Eagle Staff that in time to come these reflections of our life at Climax High, with its varied program, will be a true mirror of memories for each student. We have attempted to capture and record the glimpses of enthusiasm, concentration, loyalty, gaiety, and sorrow which are all incorporated to make each day a new and vital experience. May the life of each of us serve to reflect the spirit and ideals instilled within us during our four-year sojourn here.

OUR SEARCH FOR

SCIENCES

General Science, biology, and chemistry, which constitute our science program, give the student a fundamental understanding of scientific facts and create a thirst for the quest of the undiscovered and the unproved. We are made to feel that we will play a vital part in conquering a great "new world".

MATHEMATICS

The mathematical courses are some of the most challenging ones available at our school. Algebra and plane geometry are most complex subjects which require many hours of diligent study. This extensive program is necessary for the proper mental development required for the many technical jobs today.

SOCIAL STUDIES

To prepare us to accept our "American heritage" as citizens of our community, our nation, and our world, whether it be as leaders or as followers, we are introduced to and schooled in the principles of a democratic way of life through such courses as Virginia History, U. S. History, World History, and Geography.

LANGUAGE ARTS

English, requiring four years of literature and grammar, with our electives--Spanish and French, play an important part in our college preparatory program. These supply us with a fundamental background in grammar as well as an appreciation for good literature.

WE DEDICATE

To Mr. Littlejohn who has served in two capacities during his seven years at C. H. S.--teacher and coach, a man who as a teacher leaves a memorable impression of his guidance and instruction. As coach, he has taught us that honor and sportsmanship come before victory.

To Mr. Williams who has served as principal for four years. He has showed very deep understanding of our personal problems and has patiently guided us through high school.

Because of the constant inspiration and sincere friendship of these two men, we take great pleasure in dedicating this, the 1960 Eagle, to Mr. Max Littlejohn and Mr. Robert Williams.

STUDENT COUNCIL

Larry Shanaberger, Dianne Minter, Sandra Anderson, and Ronnie Rigney are advertising the school pennants that they are selling.

This year the Student Council worked harder than ever to do projects that they had planned to do years before. We sponsored a contest for our school queen who was in the Christmas parades in Chatham and Danville. To make the school look neater, the bulletin board was kept up-to-date each month by each club or class. This was prompted by the Student Council. We again, sponsored the annual Christmas party. To make money, the club members sold ice cream during lunch period and sold school supplies. The remainder of the school pennants were sold. This year was a very prosperous one.

First row: Mrs. Berger, Sponsor; J. D. Haskins, Reporter; June Towler, Vice President; Dianne Minter, Secretary; William Tompkins, Treasurer. Second row: Adeline Blair, Brenda Thornton, Eleanor Owen, Kathleen Finney, Jacky Williams, Libby Watson, Brenda Robertson, Carol Yeatts, Patsy Worley, Laura Edwards, Dwight Towler, Jewel Hedrick, Landon Bradner, Donna Blair, Douglas Craddock, Joyce Mahan, Melvin Williams.

BETA CLUB

The Climax Beta Club has this year a most efficient president, Dianne Blair, who is striving diligently to make our Beta Club an even better organization of Climax High School.

Members of the Climax Beta Club have maintained a "B" average and in many cases, an "A" average. All members have achieved and proven qualities of character and leadership set up by the National Honor Society.

Our club's objectives considered most important are: To sponsor the White Christmas, to publish the school paper ("School Daze") as a money-making project, to send an article and maybe a picture of our club to the Beta Club Journal, and to have students serve as substitute teachers.

A highlight for all Beta members is the convention held annually in Roanoke or Richmond.

First row: Jewel Hedrick, Advertsing Manager; Dianne Minter, Business Manager; Adeline Blair, Editor; Jeanette Oakes, Assistant Editor; Eleanor Owen, Secretary. Second row: Carol Yeatts, Miss Gibson, Sponsor; Donna Lee Blair, Melvin Williams, J. R. Pearson, Landon Bradner, Assistant Photographer; Dwight Towler, Photographer; Brenda Robertson, Betty Owen.

ANNUAL STAFF

Landon Bradner, Jeanette Oakes, Adeline Blair, and Jewel Hedrick are planning the club pictures to be used in the EAGLE.

The members of the annual staff, after working diligently at selling ads, taking pictures, and all the other difficult tasks that had to be completed, are relieved, but satisfied, when their work is finally done.

Now they may look forward to the reward for their accomplishments--what they hope will be another fine Climax EAGLE.

First row: Adeline Blair, Secretary; Juanita Reynolds, Reporter; Donna Lee Blair, Vice President; Wayne Worley, President; June Towler, Treasurer. Second row: Dwight Towler, Dianne Minter, Joyce Mahan, Thomas Jefferson, Linda Adkins, Danny Adkins, Sharon Mayhew, Jeanette Oakes, Patsy Worley. Third row: Wayne Haskins, Ernest Woods, Douglas Craddock, Ronnie Bennett, Larry Shanaberger, Garry Wyatt Blair, Jimmie Shelton, Thomas Wilkes, J. W. Barbour, L. T. Osborne, J. R. Pearson, Mr. Littlejohn, Sponsor; Miss Hylton, Sponsor.

MONOGRAM CLUB

Douglas Craddock, Jeanette Oakes, June Towler, Juanita Reynolds, Linda Adkins, Thomas Jefferson, and Sharon Mayhew are working on plans for some projects to carry out this year.

One of the projects we are working on this year is saving to buy a trophy case for our collection.

The only requirement for getting into the Monogram Club is that one must have participated in a sport long enough to be a letter bearer. Also one must abide by the Constitution written by the Monogram Club members.

New members are initiated into the club after receiving written invitations from the club.

With our capable leaders we should be able to do much for the school in years to come.

First row: Bessie Payne, advisor; Ginger George, secretary; Brenda Thornton, vice president; Jewel Hedrick, president; Judy Rigney, reporter; Edna Barber, parliamentarian; Bitha Mayhew, historian; Patsy Worley, treasurer; Libby Watson, song leader. SENIOR 4-H CLUB

The officers are planning the program for the meetings to be held during the year. They are: Jacky Williams, Adeline Blair, June Towler, Libby Watson, and Garry Blair.

The Senior 4-H Club was especially outstanding in the county, district, and state activities this year.

After winning second place in the Danville Fair for three consecutive years, the club won first place and a prize of seventy-five dollars. Also many members won cash prizes for themselves.

A large number from the club attended camps, the district contests, and the State Short Course. At the State Short Course two members were among the 139 taken into the 4-H All Stars which is an honorary 4-H organization. Four members entered their records in state contests with one member winning a trip to Kansas City, Missouri. Another member received a seventy-five dollar savings bond. Four members participated in the district contest, with two continuing to the state contests.

Eighteen county awards were won by six club members at the annual achievement program in which three members took part.

For the second consecutive year one of the two Honorary Fair Vice Presidents was chosen from our club.

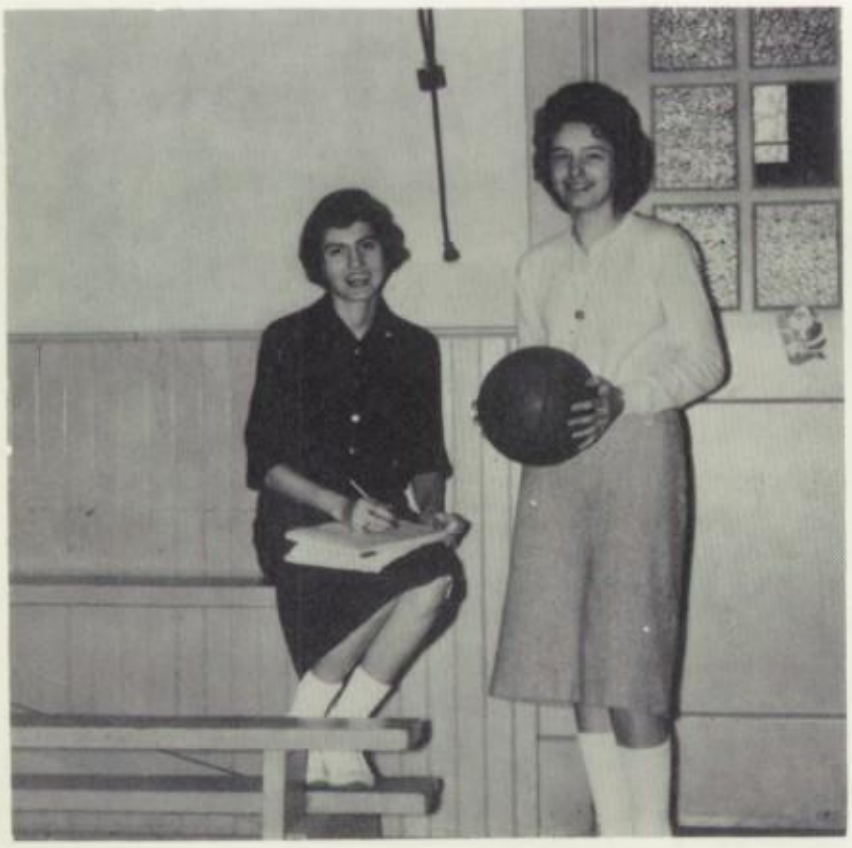
One of the highlights of the year was the annual All Star-Honor Club Banquet held at the Danville Country Club where one of our members was taken into the County Honor Club.

ATHLETICS

First row: Donna Lee Blair, Genell Shelhorse, June Towler, Adeline Blair, Norma Toney, Sharon Mayhew, Lois Bowen, Dianne Edwards, Linda David. Second row: Libby Watson, Dianne Minter, Brenda Robertson, Miss Hylton, Coach; Carol Yeatts, Joyce Mahan, Linda Adkins, Susan Blair.

GIRLS' BASKETBALL

Jacky Williams, Scorekeeper, and Eleanor Owen, Manager, talk over the games.



After having lost the three starting forwards of last year's team, it was thought that this would have to be a rebuilding year for the girls. However, the prospects of having a good season looked considerably better with each daily practice. At the beginning of the season the girls did not fare too well, but as they gained experience their playing improved steadily. After the Christmas holidays the girls won their first three conference games, proving that they would be in there fighting until the last game had been played.

Norma Toney, one of our freshman forwards, was near the top of the girls' scoring race in the county with less than half the season remaining.

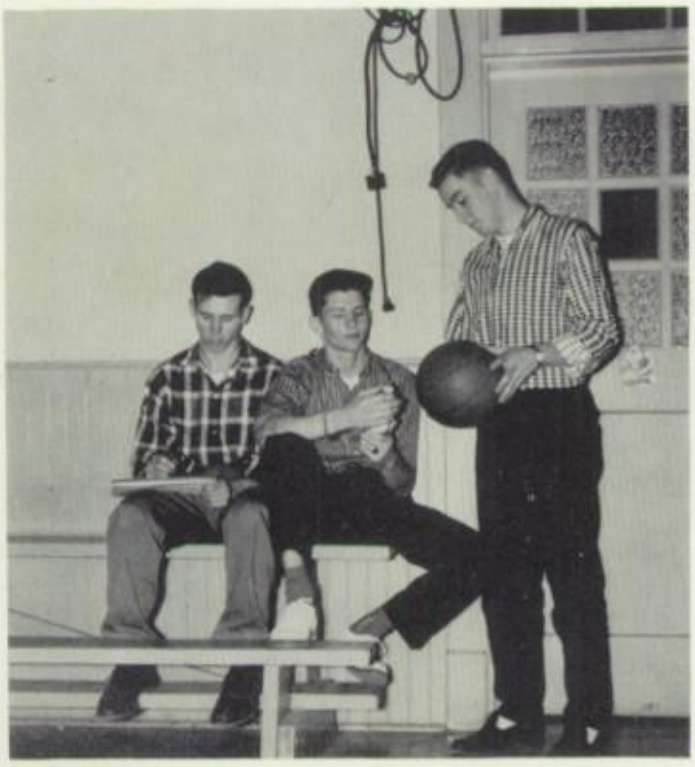
BOYS' BASKETBALL

Ernest Wood, scorekeeper and Melvin Williams and William Tompkins, managers, are preparing for a game.



On November 3, an experienced squad of boys began practice for the 1959-60 basketball season. Although they haven't been too successful with their competition, they have received a lot of experience and enjoyment from the competition with other teams.

CHEERLEADERS

The cheerleaders are yelling for "our first five."

There has been a change in cheerleaders. Juanita Reynolds is taking Laura Edwards' place. Ann Owen is the substitute cheerleader and Susie Worley is the mascot.

We have had good support in our cheerleading and we appreciate everyone coming to the games to help us cheer.

First row: Melvin Mahan, Douglas Craddock, Thomas Jefferson, Ronald George. Second row: Dwight Towler, Wayne Haskins, Jesse Hodges, J. W. Barbour, J. R. Pearson. Third row: Danny Adkins, Jimmie Shelton, Wayne Worley, Thomas Wilkes.

BASEBALL

"Whack, it's a home run!" The Climax Eagles, finishing in second place, had quite a few of these last season. At the end of the season they had a record of eight wins and five losses. The leading batter for the Eagles was Thomas Jefferson. The pitchers were Bobby Woodson and Doug Craddock, helped by Jesse Hodges.

This year the team will be suffering the loss of two starting players, but the prospects of winning the Group III championship are very good.

JUNIOR VARSITY BASKETBALL

Norma Toney, a freshman, was the high scorer in the county when the annual went to press. We are all very proud of her.

Basketball and baseball are highly active sports which require outstanding team work and the top physical condition of each player at C. H. S. The teams follow a rigid schedule in both county and district competition. In basketball there are approximately twenty games per season. In baseball there are about fifteen games. Basketball is the only sport in which the boys take part in the winter months and it is the only sport in which the girls take part. Baseball is the only sport in which the boys take part in the spring months.
